

LAGUARDO UTILITY DISTRICT

APPLICATION FOR RESIDENTIAL OR COMMERCIAL DEVELOPMENT

This is an application to LaGuardo Utility District of Wilson County, Tennessee (the District) for a development presently known as _____ located on _____.

I understand that all these documents must be provided to the Utility District as exhibits and the Application Review Fee must be paid before any action will be taken on this Application. The documents to be provided are as follows:

1. The full legal name, address, and telephone number of the person, corporation, limited liability company, partnership or joint venture making this application, and the owner of the property being developed, if different, and the name and title of the person authorized to sign contracts on behalf of the applicant.
2. A full photocopy of the site plan of the project and, if Planning Commission approval is required, a copy of all plans which have been submitted to the Planning Commission for review, including any approved site plan or preliminary plat.
3. A description of the project including the name of the development, the number of lots, the use to be made of each lot, whether or not fire protection is requested, (if so, describe the number of fire hydrants or sprinkler heads to be installed, and the rate of flow and residual pressure requirements for the development) and any special considerations which need to be taken into account in planning the water supply.

I understand that this project will not be evaluated until I have submitted this Application with all its exhibits along with the District's Application Review Fee. Once the District's evaluation is completed and the owner/developer is ready to proceed, a written contract for water service will be provided by the District and must be approved and executed by the District and the owner/developer before any work begins.

This application is hereby certified by the undersigned as being accurate and complete. The District is authorized to rely on it in evaluating requested water service.
