Complete the above card and return it to our office by the 25th of the month along with a ***blank voided check*** to ensure that your bill will automatically draft the following month. If you would prefer to email your completed card & voided check to our office, please call our office during regular business hours to ask for an email address.

All drafts occur on the 15th of the month, unless that day falls on the weekend and then the draft will occur on the first business day following the 15th.

Thank you!
