
APPLICATION FOR WATER SERVICE

DEVELOPMENT NAME:

This application shall be submitted to the LaGuardo Utility District (LUD) office for initial hydraulic review. Supplemental information may be requested to aid in the assessment of your request. The information exchanged between LUD and the applicant throughout this application process shall not be interpreted or implied as a guarantee of serviceability. **A non-refundable Application Plan and Review Fee of \$2,000 is due upon application submission.** All relevant fees will be identified to the Applicant by the LUD after the initial review of the Application for Water Service. Charges and fees related to additional water service information may be required. This may include, but is not limited to, letter of availability, fire flow test, hydraulic modeling review, and engineering evaluation for off-site improvements.

Relevant Definitions:

1. Residential Service – Water service provided for domestic or irrigation purposes in a residential area and is not considered a commercial service.
2. Commercial/Industrial Service – Water service provided to a customer for use in the promotion of a business or business product that is a source of revenue or income to the customer or others using the premises.
3. Subdivision – The division of a tract or parcel of land into two (2) or more lots, sites, or other divisions or any division of five (5) acres or less for the purpose, whether immediate or future, of sale or building development, and includes re-subdivision and when appropriate to the context, relates to the process of re-subdividing or to the land or area subdivided.
